RE: Lucks Lane (Spirea Road to Route 288) Widening Project

Dear Property Owner:

The Chesterfield County Transportation Department will host a “pardon our dust” meeting on the project to widen Lucks Lane from two-lanes to four-lanes between Spirea Road and Route 288.

Citizens can stop by the North Courthouse Public Library, located at 325 Courthouse Road, between 5pm and 7pm on Thursday, January 18, 2018. The meeting will be an open house format, which will provide attendees an opportunity to review and discuss project information individually with project team members.

The roadway construction contract has been awarded to Fielder's Choice Enterprises, Inc. The project will be under construction from November 2017 through August 2019. I have asked Fielder's Choice to send you a separate letter with their contact information in case you have any questions during construction. The county has also hired NXL Construction Services to provide full-time inspection while the contractor is working. The inspector's name is Shane Weakley and you can reach him on his cell phone at 434-944-7475. Please also feel free to call me if you have any questions during construction.

If you are unable to attend the meeting on January 18th, more information on the project is available at: www.chesterfield.gov/roadprojects

Sincerely,

Brent Epps, P.E.
Engineering Supervisor
